STIPULATION AND ORDER BY AND BETWEEN THE DEBTORS AND  
MEP CAPITAL HOLDINGS III, L.P. AUTHORIZING ISSUANCE OF  
SUBPOENA(S) AND DIRECTING EXAMINATION AND PRODUCTION  
OF DOCUMENTS

Whereas, the Debtors, 4D Factory, Inc. and The 4D Factory, LLC (collectively, the “Debtors”) have been cooperating and consulting with MEP Capital Holdings III, L.P. (“MEP”) regarding the Debtors’ attempts to formulate a consensual Plan in this case; and

Whereas, MEP seeks discovery of documents and information concerning the Debtors’ financial information pursuant to Rules 2004 and 9016 of the Federal Rules of Bankruptcy Procedure, seeking authorization for MEP to issue subpoenas to the Debtors without prejudice to the right of Debtors to object, (a) directing the production for inspection and copying records of documents in response to the request attached hereto as Schedule I (the “Document Request”); and (b) directing the appearance and submission to an oral examination to be taken under oath to testify as to the topics attached hereto as Schedule II (“Examination Topics”), and has requested that the Debtor consent to such discovery without unnecessary motion practice; and

Whereas, the Parties have reached an agreement in good faith to the discovery proposed and requested by MEP with a reservation of rights for the Debtors to protect or prevent disclosure

based on, among other things, potentially confidential, sensitive, proprietary and/or privileged information; and

NOW THEREFORE, IT IS HEREBY STIPULATED AND ORDERED THAT:

1. MEP may issue a subpoena via email to Debtors' counsel directing Debtors to produce documents in response to the Document Request without prejudice to the right of Debtors to object on any grounds to production of documents other than service. Debtors may also request that MEP enter into written confidentiality agreement(s) regarding documents or information that the Debtors consider confidential, sensitive or proprietary. Debtors waive no objections to production of documents, information or testimony requested by consenting to this Stipulation and Order, including but not limited to objections on the basis of privilege. MEP and the Debtors agree to work in good faith to resolve any disputes over production or disclosure of information but reserve the right to submit any unresolved dispute to the Bankruptcy Court for a determination.

2. MEP may issue a subpoena via email to Debtors' counsel directing Debtors to appear for an examination under oath to testify as to the Examination Topics without prejudice to the right of Debtors to object on any grounds (with the same reservation of rights in paragraph 1 hereof) other than service.

3. To the extent necessary, MEP's rights are reserved to request additional examinations or documents under Bankruptcy Rule 2004 based on any information that may be revealed as a result of the discovery obtained pursuant to this Stipulation and Order.

4. This Stipulation and Order does not grant rights to any party other than MEP to issue subpoenas or conduct the examination of Debtors.

5. The Parties hereto agree to a schedule that calls for production of documents on or before December 28, 2023, but MEP agrees that if the Debtors have made a good faith effort to provide

documents and have provided documents by December 28, 2023, that this deadline can be extended by mutual agreement between the Parties.

6. This Court retains jurisdiction to resolve all matters arising under or related to this Stipulation and Order, and to interpret, implement, and enforce the provisions of this Stipulation and Order.
